

BONHOEFFER BIBLIOGRAPHY - UPDATE 2010

Joel Lawrence

This is the eighteenth annual update to the *Bonhoeffer Bibliography: Primary Sources and Secondary Literature in English* (Evanston: American Theological Library Association, 1992). The English language bibliography is cumulated in the online Bonhoeffer Bibliography at Union Theological Seminary (see below), and the *International Bibliography on Dietrich Bonhoeffer* (Gütersloh, 1998) is cumulated in the occasional volumes of the *Dietrich Bonhoeffer Yearbook*, of which three issues have been published to date. Please note the following: (1) any items marked ADD TO are revisions to entries in the published bibliography; (2) in order to register complete sets of conference papers, some German titles may be included; (3) The English Language Section of the International Bonhoeffer Society works to have all conference papers placed in the “Bonhoeffer Collection” at Union Theological Seminary, New York. However, conference paper sets are incomplete.
